*Another year is dawning, dear Father, let it be  
In working or in waiting, another year with Thee;  
Another year of progress, another year of praise,  
Another year of proving Thy presence all the days.*

*Another year of mercies, of faithfulness and grace,  
Another year of gladness in the shining of Thy face;  
Another year of leaning upon Thy loving breast;  
Another year of trusting, of quiet, happy rest.*

*Another year of service, of witness for Thy love,  
Another year of training for holier work above;  
Another year is dawning, dear Father, let it be  
On earth, or else in Heaven, another year for Thee*

*Another Year is Dawning by Frances R. Havergal, 1874*
