

February 2017 | Asia | NWPT

We enter into Your Presence with thanksgiving for all the doors that have opened, are open, and will continue to open related to Asia:

- We are thankful for the opportunity to develop an Easter Book. We ask for anointed ears to hear Your voice, anointed eyes to see Your vision, and the mind of Christ to bring clarity as the team focuses on discerning the essential elements of the Easter Book.
- Grateful for our on-going relationship with ZDL, a publishing company in China, and their plans to attend the National Religious Broadcasters Convention in Orlando the end of Feb. During their time stateside, may You open the door to engage in conversations related to future publishing projects.
- Indebted for the Good News we have received. We are interceding for the seeds sown in China - may the harvest be great and followers grow in maturity as your Word and Spirit ripple forth from Harbin and Beijing. We praise you from **1 Chronicles 16: 23-24 *Sing to the Lord, all the earth; proclaim his salvation day after day. Declare his glory among the nations, his marvelous deeds among all peoples.***
- Appreciative of the nomination of Terry Branstad, former Republican governor of Iowa, to be the next Ambassador to China. His appointment is welcomed by China where he is seen as "an old friend." Andrew and David both wrote to congratulate the Governor last month on his new post. Let us pray for Mr. Branstad as he steps into this vital role between China and the US.

In closing, we lift up the pastors and our brothers and sisters in Christ living in China. May they remain steadfast in their faith, knowing NOTHING will separate them from Your love or Your Presence. Strengthen and help them. Hold them up with your victorious right hand.

Like the believers in Acts 4 we raise our voices together on behalf of Asia: *Sovereign Lord, you made the heavens and the earth and the sea, and everything in them... Governments conspire against your holy servant Jesus, whom you anointed and those who follow him. They are doing what your power and will had decided beforehand should happen. Now, Lord, consider their threats and enable your servants to speak your word with great boldness. Stretch out your hand to heal and perform signs and wonders through the name of your holy servant Jesus. May the place from which we pray, personally and corporately as the Palau team, be shaken; May we be filled with your Holy Spirit and speak the word of God boldly.*

Amen!
