As we enter into the New Year, we reflect on Psalm 46:10: “Be still and know that I am God; I will be exalted among the nations, I will be exalted in the earth.”

- We praise God for the time and Andrew and his team had in China in December. We’re praising God for all the people in four Chinese churches that heard about Jesus, received Him into their hearts and were able to have *The Gift of Christmas* that tells of the true meaning of Christmas. Over 9,000 of these books were distributed to people who can now reflect on them and share them with their friends.
- We praise God for keeping Andrew healthy as he had such a busy November and December traveling all over sharing the Good News of Jesus Christ.
- We pray for our NGA cabinet members Keith Cook and Alan Green as they coordinate an outreach to Karachi, Pakistan in November 2018. Praying for God to make a way for many to hear and respond to the Good News.
- We pray for the timing and the words on a new book to be used for outreach regarding Easter. The book will be written in Mandarin and English.
- We pray also for the obtaining of the ISBN number for the book, which will reflect that it is approved by the government for distribution and sales.

I Thessalonians 5:17-18 reminds us to: “pray continually; give thanks in all circumstances, for this is God’s will for you in Christ Jesus.”

Blessings,
