“Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name. For the Lord is good and his love endures forever; his faithfulness continues through all generations” (Psalm 100:4-5).

Heavenly Father,

We celebrate your goodness, your unfailing love, and your never ending faithfulness. Thanksgiving, honor and praise are yours! Our mighty God is capable of doing exceedingly abundantly more than we ask or imagine...we are very thankful for how the Lord is at work in conversations with those in China as they relate to plans for Andrew Palau’s visit in early December.

PLEASE PRAY FOR:

- Xiuyu Wang and Tim Innes as they travel to the cities of Harbin and Beijing, China August 29-September 5. Commit to the Lord whatever you do, and he will establish your plans (Proverbs 16:3). Pray scheduling allows them to meet with all necessary governmental and church leaders during their visit to discuss opportunities face to face.
- Favor with all the government relationships (United Front and CCC) in Beijing, Shanghai and Harbin, to approve Andrew’s visit in December.
- Continued relationships and trust in China. Our current direction is focused on serving the churches in Harbin and increasing the number of programs and churches touched during the December visit. We ask for discernment, wisdom and confirmation in moving forward, building on what has been laid in years past. Pray for faith and anticipation as we look to what the Lord has for the future.

The population of Asia is estimated to be more than 4.58 billion people. There are still many people without the hope and love of Jesus Christ! “These are the words of him who is holy and true, who holds the key of David. What he opens no one can shut, and what he shuts no one can open” (Revelation 3:7).

- Pray for pastors and believers, particularly those we partner with in China, that they would be strong and courageous, continuing to be faithful in what they have been given to steward –" and may we be faithful to pray for them.
- Please continue to pray for opportunities for NGA evangelists to reach more people in Asia.
