HAITI

Continue to pray for a possible ministry in the summer of 2018. Randal Burtis is communicating with our friends and partners in Haiti and will have more specific information sometime in the future.

SOUTHERN CARIBBEAN

Due to many scheduling conflicts, Randy Burtis, along with LPA Staff, have been forced to postpone the Bequia, St. Vincent, Antigua, and Grenada events. Please pray for wisdom, humility, and discernment for the LPA team and local leadership as they decide the best time to proceed with these outreaches in 2018.

“And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ.” Colossians 4:3

CUBA – Future Date

Pray for supernatural opportunities and favor with government officials in making preparations for an evangelistic campaign. Pray for one LPA team member who has access to Cuba to be able to make contacts and push things forward.

“Look to the Lord and His strength; seek His face always.” Psalm 105

Blessings!
