

## **July 2017 | Caribbean | NWPT**

Prepared by Debbie Jamison and Glenda Kraus

### HAITI

Continue to pray for a possible ministry in the summer of 2018. Randal Burtis is communicating with our friends and partners in Haiti and will have more specific information sometime in the future.

### SOUTHERN CARIBBEAN

After numerous scheduling conflicts, Randy Burtis, along with LPA Staff, have been forced to postpone the Bequia, St. Vincent, Antigua, and Grenada events. Please pray for wisdom as the conversations continue with these islands and for God's perfect timing of granting financial and human resources for these events to take place.

Pray for the 2020 plan to allow for more staff to be able to open more doors in the Caribbean.

**“And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ.” Colossians 4:3**

### JAMAICA

Please pray for Andrew to make connections with a local minister that has great implications for the Jamaican church and LPA, as well as for Jamaicans in the UK.

### CUBA --- Future Date

Pray for supernatural opportunities and favor with government officials in making preparations for an evangelistic crusade.

Pray for one LPA team member who has access to Cuba to be able to make contacts.

**“Look to the Lord and His strength; seek His face always.” Psalm 105**

Blessings!
