“Look to the Lord and His strength; seek His face always.” (Psalm 105)

Words are inadequate to describe the needs people of the Caribbean are currently facing. Continue to pray for the Lord’s presence in their lives as they seek hope in a variety of areas. We know the Lord, the sustainer and creator of all, is the One to meet all their needs.

Southern Caribbean – URGENT!

- Please pray for restoration of the Southern Caribbean Islands which have been devastated by Hurricane Irma. St. Thomas, St. John, Puerto Rico, Cuba, Dominican Republic, and many small islands have been hit hard by the disaster. Lift up all those impacted by this storm and pray for the Holy Spirit’s sustaining power, presence, and protection.
- Continue to pray for wisdom, humility, and discernment for the Palau team and local leadership as they discern the best manner to minister to those in need and pray for more doors for future evangelistic opportunities. “And pray for us too, that God may open a door for our message, so that we may proclaim the mystery of Christ.” (Colossians 4:3)

Cuba

- Pray for supernatural opportunities and favor with the Cuban government officials in opening avenues of evangelism and Good Samaritan help to Cuba.
- Pray for one Palau team member who has access to Cuba to make contacts. Pray for the unregistered church and pastors during this time of great trial and devastation.

Dominican Republic

- Praise the Lord for the fruit of Wendy Palau’s recent trip to speak to a group of 2,500 women with about 100 making decisions for Christ. Pray for the new believers that they would be strengthened and comforted in the aftermath of the hurricane.

“He heals the brokenhearted and binds up their wounds.” (Psalm 147:3)

Blessings,
