

## **March 2017 / Europe / NWPT**

Caryn Ogle and Kim Grimberg

“And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ.”

Colossians 4:3

### **Praise:**

- NGA Partner, Reid Saunders, recently shared the gospel at a Serbian refugee camp where many put their faith in Jesus for the first time.
- Candidates for our new staff position in the UK have been narrowed down to 3 and we should have a final decision made by the middle of March.

### **Requests:**

- Wisdom for the Board. A clear sense of urgency and opportunity and for new members to expand our UK Board.
- Andrew will preach at a joint service for 5 London churches. Please pray that God will use this to open up other opportunities to proclaim the gospel in London and throughout the UK.
- Specifically pray for possibilities developing in Bristol and Exeter, England.
- Continued prayer for our UK staff, Jo Foster, John Grant and Daniel Rus as they handle all of the administrative details for multiple evangelists.
- Unity in the churches of Europe and a willingness to work together for the cause of Christ.
- Pray for potential opportunities in Spain and France. Pray for open doors and direction.

### **NGA Specific Requests:**

- Funding for all of our NGA Partners
- Pray for Reid Saunders & Richard and Ginger Hamlet as they minister at 33 events over 13 days in Serbia, Croatia and Bosnia Herzegovina.
- Pray for Jose Zayas as he prepares for outreach gatherings across Romania, especially in light of the current political unrest they have been experiencing there. Jose will be preaching on finding peace, a very appropriate topic.
