

May 2017 | Europe | NWPT

Caryn Ogle & Kim Grimberg

New UK Staff Members - David Plowman (UK Director), Max Swart (UK/Africa Coordinator)

Pray that they will learn quickly, develop their leadership skills, and build strong relationships with church leaders throughout Europe.

Pray for their families as they adjust to a new ministry, new living situation & travel schedules. Pray also as they put down roots in a new location that they would find a church family and develop a strong community of support.
