“Rise during the night and cry out. Pour out your hearts like water to the Lord. Lift up your hands to Him in prayer.” Lamentations 2:19a

PRAISE GOD FOR:

- The UK office is on track at this mid-year point with their growth forecast.
- A prominent woman has stepped forward to host a women’s outreach luncheon in London on May 2, 2019.
- There was such enthusiasm after the Joy@Kempton Park Festival in Sunbury that the community is looking at the possibility of doing a much larger regional SouthWest London Festival. They are hosting a leader’s reception in October with an invitation to the wider leadership in SW London to hear about the vision and opportunity for a festival in the future.

PLEASE PRAY FOR:

- UK leaders that will be attending the Grand Rapids Festival to catch a vision for what a Festival could look like in their own cities.
- The October Tour prayer requests:
 - Smooth launch of promotion and publicity materials within the next few weeks for the upcoming October Tour with Andrew Palau and Martin Smith. Four cities and venues have been secured. Pray for a positive response as the tour is promoted and that Christians will invite their friends to hear the Gospel.
 - Andrew, Kevin, and Wendy as they meet with leaders from 3-4 cities in conjunction with the October Tour. Pray for favor and enthusiasm from these leaders as they explore the option of hosting a festival in their city.
- The Advance 2020 launch will take place on October 1 with a group of 80-100 network leaders. Invitations have gone out and we’re praying for the right people, who will understand and continue with the evangelism network vision, to attend.
- New Cities for 2019 and beyond:
 - Pray for meetings with leaders in Bristol, SW London, Birmingham and Wolverhampton with a view of building relationships towards future festivals in these cities.
 - God is already opening doors for us in 2019 for various UK outreaches and opportunities to spread the Gospel. Please pray for momentum to gather as we approach the end of this year.
 - Continue to pray for progress to be made for future festivals in both Madrid and Berlin.

Praying with you,
Caryn & Kim
