Michelle Palau and Brooke Andrews

“And it shall come to pass that everyone who calls upon the name of the Lord shall be saved”
(Acts 2:21).

City Gospel Movements

- Please pray for wisdom and strategy to connect faith leaders throughout the country to resources on the newly-launched website. Explore it yourself at citygospelmovements.org.
- Please pray for Jonathan Friz from Amherst, MA. You can find his name at the CGM website and send him an encouraging note about your prayers for him as he leads the City Gospel Movement in Boston Illinois.
- Please pray for wisdom as we finalize 2018 goals and strategy (as a team and as individuals).
- Please pray for the city movement leaders and their work to be accelerated because of the insight and encouragement from our team (Mark Harris from 4Tucson has been so encouraged and feels greater momentum because of encouragement from our team. We want this to continue all over the place!).
- Please pray for the leaders who visited PDX from the West Coast to have a fruitful year and have wisdom to put ideas into practice.
- Please pray for Eric Jung and our team as we gather a key group of 12 leaders from around the U.S. in Colorado this spring to brainstorm how to share best city movement models around the nation.

Grand Rapids, Michigan

- Praise God that 500 pastors came to hear from Andrew Palau and others during the RE:NEW weekend. Nearly 7000 people from 700 churches were also encouraged and inspired during the weekend's events.

Eugene, Oregon

- Please pray for follow-up with students who made commitments to Christ during the Come and See event with Andrew and Francis Chan last month.
- Please pray for the right artists to get lined up for the Festival.
- Please pray for the upcoming Friendship Evangelism training.

Brevard County, Florida & Tyler, Texas

- Please pray for finalization of steering committees in both cities. The team will be responsible for broadening church interest and forming the festival invitations.

Potential Cities

- Please pray for the continued, potential CityFest locations of Boise, Idaho; Albuquerque, New Mexico, and Miami, Florida.

Next Generational Alliance

- Please pray as we continue to plan for Amplify, the evangelism conference in Chicago on June 26-28, 2018. NGA is running a workshop track for evangelists as well as a pre-conference event on June 25. Mike Silva and Bob Lenz are the excellent speakers LPA has asked to speak at Amplify.
- Please pray for NGA as we co-host an event on March 20-22 in Portland for global leaders in evangelism. Keep praying for the Holy Spirit to unify and empower a shared vision that would continue for many years.

Praying with you,
Brooke and Michelle
