**“Plant the good seed of righteousness, and you will harvest a crop of love.
Plow up the hard ground of your hearts, for now is the time to seek the Lord,
that He may come and shower righteousness upon you.”**

Hosea 10:12

PRAISE & PRAYERS

- We are praising God for a successful mission in Romania by our NGA partner Jose Zayas.
- Praise God for positive and supportive attitudes from local churches at the Sunbury kickoff gathering last month. Please pray for the core planning team in Sunbury. This is their first significant outreach and there are lots of details to take care of as well as the need for additional funding. Pray also for unity in the community and that God will begin to prepare hearts to hear and respond to the Good News. This event will take place on June 17.
- Pray for strategic meetings to come together for Andrew and Wendy when they are in the UK in June. This could lay the foundation for future festival opportunities.
- We've just confirmed for Andrew to do a four city tour in October with Martin Smith from the band, Delirious. The idea is to meet in cities that are considering future festivals, meet with leaders and then have a concert and Gospel message. Pray for the outstanding finances to cover all the logistical costs, key conversations with city leaders, and that many people will be impacted by the Gospel.
- We're also in conversation with several cities in the UK to see whether they are ready for a festival. Influential leaders from these cities are being invited to attend the Grand Rapids, Michigan CityFest in September. This will give them a taste of what could happen in their community. Please pray that the right people will come and that God will open the right doors for a mighty harvest.
- Tim Innes and Dave Plowman had a very encouraging two days with church leaders in Berlin last month. They are still very early in the process & are continuing the conversation. We are asking the Lord for open doors and His perfect timing.
- Pray for Dave Plowman as he is in the process of developing a network of evangelists to participate in 2020 Initiative. This type of initiative requires many ministries working in unity with one another. Pray that the Lord will create favorable relationships and that this will become a model of ministry relationships in the U.K.
- Continue to lift up John Grant as he is travelling and laying the groundwork for missions for our NGA partners throughout Eastern Europe.
- Pray for health, safety, favor and all the logistics for events that will happen throughout 2018.

**“I pray that they will all be one, just as you and I are one - as you are in me, Father, and I am in you.
And may they be in us so that the world will believe you sent me.”**

John 17:21

Gratefully,
Kim & Caryn
