

November Prayer Requests | Caribbean | NWPT
Debbie Jamison and Glenda Kraus

JAMAICA

We praise God for sparing the beautiful island of Jamaica from Hurricane Matthew that recently passed so closely. We pray for the people of Jamaica that they understand and realize with clarity the amazing presence and protection of the Lord. Ps. 23:4 "Even though I walk thru the valley of the shadow of death I will fear no evil. You are with me, your rod and your staff they comfort me....."

Praise God for the strong testimony of Jamaica Broilers though this very difficult time in both Jamaica and Haiti.

HAITI

Pray for Randy Burtis as he is scheduled to be in Haiti the week of October 17th. He will have a chance to view the damage from the hurricane.

Pray especially for the thousands of people who are without homes and for those who lost family and friends in the storm. A few immediate needs to pray for are:

- Planes and supplies to be able to land safely on the island
- Pray that the river recedes
- Pray for their interim President Jocelerme Privert
- Pray especially for a strong Christian witness among the people hurting so deeply

"God is our refuge and strength, and ever present help in trouble...." Ps. 46:1

Pray for God's wisdom in knowing how to proceed with ministry plans in Haiti in light of the recent tragedy.

Pray about a new opportunity developing in the Southern Caribbean which could lead to a series of smaller festivals next year. Pray for clear leading as we look at opportunities in the Grenadines and Antigua.

GUATEMALA

Praises for a future festival in Guatemala in March. Please be in prayer for this. Psalm 67:5 May the peoples praise you, God; may all the peoples praise you.

"Look to the Lord and His strength; seek His face always." Psalm 105

In Him,

Debbie and Glenda
