

November Prayer Requests | North America | NWPT
Michelle Palau and Vicky Burgess

“Therefore we are ambassadors for Christ, God making His appeal through us. We implore you on behalf of Christ, be reconciled to God.” 2 Corinthians 5:20

Pray for:

Fresno, Nov 15-19

Luis Palau will be in Fresno to conduct key mobilizing events for the upcoming Festival. He will be speaking to pastors, youth pastors, Hispanic pastors, and to over 5,000 people attending a RE:New event at Savemart arena. Pray for the staff as they manage over 6 events in 5 days. Pray for Dr. Palau for strength and favor with each group he addresses. Pray for the Christians in Fresno to be revived during this week of very important events.

Praise:

For a great event in Eastern Oregon Oct 14-15 in Athena, Oregon and Walla Walla Washington. God’s Spirit moved mightily that weekend and over 100 made decisions for the Lord Jesus!

For the over 3,500 young people attending a youth event sponsored by the festival two weeks ago. Andrew Palau spoke with authority and power as many came to Christ or rededicated their lives to Him.

Praying with you,
Michelle and Vicky
