Grand Rapids

- Pray for clear direction and wisdom as the executive team in Grand Rapids is forming. Immediate areas to fill are the City Serve chairs and a prayer co-chair.
- Pray for the right date/venue to be nailed down in Grand Rapids for the festival.

Miami

- Pray for Miami as Kevin and Levi visit some key pastors there and for progress toward a festival in 2020.

Brevard County

- Pray for Brevard County as the steering committee there continues to pray and move forward on the possibility of a festival there.

Tyler, TX

- Pray for conversations with Tyler, TX as they consider having a festival in the future.

Eugene, OR

- Pray for final confirmation of the festival venue in Eugene. We have received word that the minor league baseball association that controls the schedule for the venue we want to use has said they will try to give an early decision before fall.
- The fundraising team has finally come together and has set an ambitious goal of having 90% of the budget raised by October. Please pray for boldness, wisdom, and open doors for these godly men and women.
- This week we solidified leadership for two festival committees and had an initial meeting for each. Pray for leaders of Women's Outreach Luncheon and Counseling and Follow Up committees as they put together their leadership teams over next three months. Pray for the right people to step forward.

Nantucket

- Luis is speaking at the end of the month at Spiritual Heritage Nantucket. The mission of the annual event is to "build and encourage the Christian community on Nantucket." For the past 12 years, they have brought in a guest speaker, and Luis is honored to join them this year. Please pray for Luis' safety and a clear, engaging message with those in attendance.

NGA

- Pray for NGA's "A Day With Luis and Andrew Palau" coming up June 27-29. Pray the Lord would encourage the evangelists and that it would be a powerful time of divine appointments and

connections. Please pray for the attendees of the NGA evangelists' track running during the Amplify Conference. We have eight different presenters, including Kevin Palau and Pat Palau.

City Gospel Movements

- Pray for wisdom as we decide which agency to go with to develop our City Gospel Movement's website.
- Pray for wisdom, clarity, and favor for God to help our CGM team (Kevin, Stephanie, Fred, Meredith, Lizzie) to know how to nail down a work flow that taps into all our strengths, and allows us to best leaders around the country.
- Pray for favor to develop strong friendships with CGM leaders—for them to trust and feel like we're their biggest fans.

Blessings,
