“You will name your walls salvation and your gates, praise. The Lord will be your everlasting light, and your God will be your splendor” (Isaiah 60:18,19).

Eugene, Oregon

- Praise: We have raised over 40% of the budget with 10 months to go.
- Praise: Venue and date have been approved by the minor league baseball association who controls our desired venue.
- Praise: We finally got word from the venue that the festival will be July 28, 2018 at PK Park!
- Prayer Needed: Several financial requests from potential sponsors, foundations, and individuals are in process. Key sponsor meeting on October 10. Pray for a spirit of generosity.
- Prayer Needed: Pray for many students at U of O to be mobilized for a February campus outreach with Andrew & Francis Chan. Nick Hall spoke boldly to students on October 10 in preparation for February’s event. Pray for boldness spiritual discernment among the believers on this HIGHLY secular campus.
- Prayer Needed: On October 12, Wendy spoke to 100 potential table hosts for the women’s luncheon. Pray they will truly catch the vision and begin praying for their friends who don’t YET know Christ.

Brevard County, Florida

- Praise: Eight key pastors stepped forward to put their names on a letter giving their support to the proposed festival there and inviting area pastors to a meeting with Kevin Palau on November 16.
- Prayer Request: This is a county of many small towns (110,000 is the largest) each with their own identity. The vision is to bring the church together as one in a county 70 miles long. Pray for the birthing of a vision that goes beyond the borders of individual communities. Proposed time frame is spring of 2019.
