“If you abide in me, and my words abide in you, ask whatever you wish and it will be done for you” (John 15:7).

PLEASE KEEP THE FOLLOWING IN YOUR PRAYERS:

Eugene, Oregon

- Please pray that more festival friends will step forward for training.
- Pray for a generous response in donations for the festival, especially with a recent matching gift offer.
- Pray general and consistent blessing over the Eugene staff as they work through the last weeks until the festival on July 28.

Grand Rapids, Michigan

- Please pray for more festival friends to sign up to serve at the event in September. The team’s goal is to train 3,000 volunteers as festival friends.
- Please pray for the prayer card launch in churches on July 22, that God would begin working in the hearts of the non-Christians many will write down on the prayer card, commit to praying for, and invite to the festival to hear the Good News.

City Gospel Movements

- Please pray with CGM as the team looks to hire a part-time administrative assistant. Pray for wisdom in the process and for God to bring on board the right team member.
- Praise God for deepened strategic partnership with Movement.Org. CGM and Movement.Org are partnering on a regional coaching strategy, evangelism focus at every Movement Day event, Latin America representation in the global CGM conversations, and communication collaboration. Pray for creativity and diligence as we walk in this partnership.
- Pray for CGM as they consider a partnership outreach with Global Leadership Summit, Barna, and Movement Day Africa in August.
- Pray over Brian Alarid, of *America Prays*, and his visit to Portland, Oregon. He has a vision and goal to see 40,000 churches in the United States engaged in 24/7 prayer.

Next Generation Alliance

- Thanks for praying for the Amplify Conference! We had a wonderful turnout at the Monday NGA Connect Conference on June 25, and then the Amplify Conference itself was a tremendous time of making connections. We received wonderful feedback from attendees about how encouraging the time was. Please pray now as we jump into hosting an NGA Extend the Impact Conference for Eugene July 27-28. The turnaround is tight, but we’re trusting the Lord will bring all of the pieces together!

Tyler, Texas

- Please pray a blessing over the fundraising. The team hopes to be 100% fundraised by the invitation event in October.
- Pray for wisdom as the rest of the staff is identified.

Brevard County, Florida

- Please pray that the festival chairs would be identified and confirmed soon
- Please pray general blessing over the finances of EastTexFest.
- Please pray for wisdom in choosing the festival dates.

Albuquerque, New Mexico

- Please pray for continued passion in the hearts of the many pastors in the area as Brian Alarid convenes them for a discussion about a potential festival in 2020.

Praying with you,
Brooke & Michelle
