Michelle Palau and Brooke Andrews

---

**“I exalt You, my God the King, and praise Your name forever and ever. I will praise You every day; I will honor Your name forever and ever. Yahweh is great and is highly praised; His greatness is unsearchable. One generation will declare Your works to the next and will proclaim Your mighty acts. I will speak of Your splendor and glorious majesty and Your wonderful works. They will proclaim the power of Your awe-inspiring acts, and I will declare Your greatness. They will give a testimony of Your great goodness and will joyfully sing of Your righteousness.”**

Psalm 145

Tyler, Texas

- Our first steering committee meeting is Friday, February 26. Pray that God would guide the steering committee and Levi Park as he continues to share the vision.

Eugene, Oregon

Praise:

- It took so many people to make this Re:NEW event happen, not only the Eugene staff, but many from the Portland staff that connected so dots and helped in countless ways. There was so much prayer leading into this evening. The campus ministries spent the last couple of weeks hosting prayer walks, prayer evenings, and passing out flyers daily at U of O. The fruit of their hard work and prayer was evident. Over 650 students joined us and it was a powerful night of many testimonies of the power and grace of God. We praise the Lord for breaking through darkness and giving us an opportunity to share the power of the Gospel.

Prayer:

- Pray for the 39 College students who accepted Christ at the University of Oregon outreach. Pray that God will be especially close to them in this environment that is often anti-Christian. Several of them expressed that they are battling depression and even suicidal thoughts.

- Pray for a great response as we now launch into the evangelism training and prepare for Festival friend training in Eugene.
- Brevard County Florida this is a potential festival area that we are working with to firm up an invitation for 2019.
- Pray for our newly formed steering committee as they work to achieve church recruitment goals and financial goals for a festival there. On March 1 we have our second steering committee meeting where our goal is to have recruited 40 churches.

#### City Gospel Movements

- Pray for our website launch (next week!!). For it to serve and bless city gospel movement leaders in a way that truly strengthens them and their leadership.
- Pray for Stephanie, Fred, Lizzie, Laney and Kevin as they work on final details of the site this week and next. There are a lot of details to wrap this up and we want to prioritize effectively and make sure things don't fall through the cracks.
- Praise God for great meetings had with city movement leaders in Southern California and New England.
- Please pray for wisdom as we discern how to partner effectively with national city movement organizations.
- Next month we will begin sending you a monthly list of all of the city movement leaders we spoke to in the last month so that you can reach out to them through our new website and send them a short email saying that you're praying for them!

#### Next Generation Alliance

- Please pray as we plan for Amplify, the evangelism conference in Chicago June 26-28, 2018. In addition to running a workshop track for evangelists at Amplify, NGA will also be running a pre-conference June 25. Please pray as we line up speakers, and pray many members would come and be encouraged!
- Also, please pray as the NGA team is involved in hosting the March 20-22 gathering here in Portland for global leaders in evangelism. Pray the Holy Spirit would bring unity and a shared vision that would carry into an incredible year of evangelistic impact in 2020.

Praying with you,  
Brooke & Michelle
