- Grow in our social media presence – wisdom and creativity to encourage people and create online, dynamic, personal community. This will be a launching pad for our website community
- That we would be able to bless and encourage CGM leaders this holiday season

- Wisdom in finalizing strategic plan for national CGM team (Stephanie is working with national CGM leaders)

NEXT GENERATION ALLIANCE

Please continue to pray as the NGA staff team is planning the 2018 calendar year. Pray the regional and national conferences being lined up would serve as times of connection and encouragement for the NGA family, and that the team would have wisdom in how to best meet the needs of our members. To date, NGA conferences in 2018 are being planned for Chicago, Dallas, Grand Rapids and Eugene.

Blessings,
